<u>Subsistence Baseline Documentation Study (Section 14.5)</u>					
TWG Mtg	8/8/2012	David Turner	FERC	Provide a survey instrument for the household surveys	Study plan has been updated to include survey instrument. The draft household harvest survey instrument is provided in Attachment 14-2 and key informant interview protocol in Attachment 14-3.
Letter	9/14/2012	Lisa Wade	Chickaloon Village Traditional Council, Health and Social Services Dept	Comments were in reference to the HIA specifically but noted: “traditional knowledge should be gathered through qualitative discussions with Tribal communities to contribute to the completion of the HIA...“can’t stress enough the importance of traditional knowledge . . .”	Traditional Knowledge (TK) interviews will be conducted in Chickaloon during the first half of 2013. Section 14.5.4.5 and Table 14.5---3 present TK interview methods and communities slated to be interviewed including Chickaloon. Results will be shared with HIA study team as soon as they are available so that traditional knowledge can be incorporated into the HIA study process and analysis. Additionally, TK questions related to the HIA will be incorporated into the TK interview guide for use in all TK interviews.
